

Apply and Ride Dust Control Fluid

***Reduces dust within indoor
equine riding arenas***

- Ride immediately after application
- Long-lasting, instant dust reduction
- Will not rust metal gates or siding
- Safe for horses, pets, and people

5 Gallon (18.9 L)

Directions for Use: Apply evenly to sand-based arena footing at preliminary rate of one, 5-gallon bucket per 500 square feet. Apply using a coarse (or larger) droplet size spray nozzle with low drift potential. Then mix thoroughly with the footing using a drag rake. Apply additional product as needed until dust suppression is satisfactory. Ensure barn is well ventilated when applying.

DO NOT apply using a fine (or smaller) droplet size spray nozzle with high drift potential. Avoid creation of aerosols, mists, or vapors.

DO NOT apply more product than is necessary.

Visit www.advancedarena.com for more information.

Precautionary Statements:

- Keep out of reach of children.
- Use as directed.
- Avoid creation of aerosols, mists, or vapors.
- Ensure barn is well ventilated when applying.
- Keep away from flames and hot surfaces.
- Avoid ingestion and eye contact.
- Wear safety glasses when handling.

Storage: Store in a cool, dry place away from fire, sparks, and heated surfaces.

Contains:

Proprietary composition (Patent Pending) includes Technical White Mineral Oil. Ingredients meet FDA Regulation 178.3570. See SDS for further safety information.
